Senator Kathleen Passidomo will serve as an Honorary Board Member.

Charity for Change's 29-week Giver Program brings to life charitable giving, character development and academics to build essential skills needed for student success in the classroom, careers and life. The in-school, afterschool and summer programs use interactive approaches to build a foundation of academic achievement, volunteerism, community involvement, social and personal responsibility.

Since 2008, by engaging students, teachers, families and community partners, more than 40,000 elementary school students participating in the Giver Program have raised \$115,000 for 72 collaborating charities.
